Number of students & teachers/chaperones attending *try to be exact-we have limited space, especially on wagon tours. **Max is 60 per trip:**

Check ONE field trip of choice:

30 minute wagon ride through the preserve while learning about the natural beauty of Graham Creek. Led by one of our staff members, **starts at 9 am**

15 minute animal demonstration in our Interpretive Center, followed by a 15 minute walk on our ADA boardwalk. Led by a staff member, **starts at 9 am**

Are there any students or chaperones with special needs/medical concerns that the staff needs to be aware of (Ex: decreased mobility, severe allergies, etc.): _____

We do not charge students for field trips, but if your school or organization would like to make a donation, please make checks out to the non-profit group **Friends of the Preserve for GCNP Env't.Edu**. We can get the check to them or it can be mailed to:

Planning Ahead: **Please make sure that you have the appropriate clothing/close-toed shoes for outdoor activities.** Most, if not all, field trip activities will be conducted outside. Bring **sunscreen, bug spray, allergy medication, and extra water** in case you need it. We do have air conditioned restroom facilities, outdoor shower heads, and water fountains available. A picnic pavilion is available for lunch use by field trips if you prefer to eat here in addition to a playground if your group would like to stay past the end of the scheduled lessons/activities.

Class behavior is the responsibility of the teachers/chaperones. Supervision of the class by teachers and/or chaperones is required at all times and teacher/chaperone participation in lessons/activities is expected.

Our calendar fills up fast so it **is recommended that you request/schedule a field trip at least 2 months minimum in advance.** We are not always able to reschedule field trips that are cancelled due to inclement weather.
